Funcities

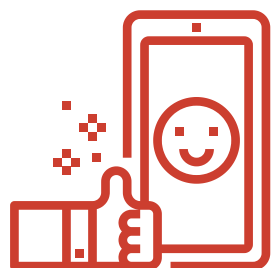

Crystal Clear Image Quality

Enjoy a sharp and detailed view of your pet, so you can always see them clearly, even when you're away from home.

Easy installation

Save time and effort with a quick and hassle-free installation, so you can get started monitoring your pets quickly.

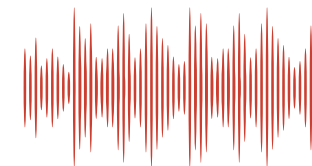

User friendly

Operate and understand the camera effortlessly, even if you're not technical, thanks to its user-friendly design.

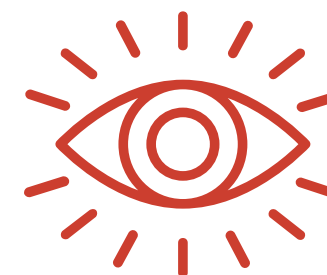

Intelligent motion and sound detection

Receive instant notifications on your phone when your pet moves or makes noise, so you're always aware of what's happening at home.

Built-in two-way audio

Talk to your pet and let them know you're there, even when you're not home. This helps reassure stressed pets and improve their well-being.

Nightvision

Blijf ook 's nachts op de hoogte van je huisdier met heldere nachtvisie, waardoor je nog steeds een duidelijk beeld hebt, zelfs in het donker.
